

Standard DJ Setup Requirements *w/ or w/o 'Ambiance' Lighting*

Width increases to 15' with use of the 'Ultimate' Lighting Package

Dance Floor

**Due to space constraints, it may be necessary to place tables on the dance floor during dinner.*

We suggest you seat the younger guests at these tables, as they will need to be moved prior to any dancing.

*A sturdy, 6' fully skirted table is appreciated.
If the venue cannot provide one, let us know.*
